### LONG RANGE PLANNING FOR EQUESTRIAN USES IN VALENCIA COUNTY

Anyone interested in planning for equestrian trails in Valencia County is invited to participate in an Equestrian Planning Workshop on Wednesday, June 15, 2005. The Workshop is scheduled to begin at 7 p.m. and will be held in the Commission Room at the Valencia County Courthouse, 444 Luna Avenue, Los Lunas.

The results of this workshop will be used during the development of the Valencia County Mobility Plan. The Mobility Plan will propose a set of projects that address the needs for roadways, transit, bicycle, pedestrian and equestrian uses.

Participants are asked to come prepared to discuss where they ride now, where they would like to ride and the impediments to doing so. We would also like to discuss non-trail related issues that may affect equestrian uses in the County.
